Come on Eileen, yep, just there, pull in next to me...  
they want us like this for a picture.

What the bleeding hell for?

I dunno, just wants a picture. Act excited and cheer up a bit.

Right then, let's be 'aving you. Come on let's get it done'

We must get back. Elvis is due on stage.

Can't miss that. Need to be at the front for my knickers to reach!
